**Directions from New Jersey & Points North:**

Follow **I-95 SOUTH** to **Exit 100, MD Route 272 NORTH** (becomes **PA 272**).

Proceed **12 miles, follow signs for Route 272 as it turns LEFT**, follow through village of Nottingham.

Go **straight at stop sign and light**, past Herr's factory on left and WAWA on right, crossing over Route 1.

Go **4.7 miles** past Route 1 to **Fincastle Farm** (2-story brick Federal farmhouse) **on the left**, mailbox is on the right, **#305**. Driveway is on the left, directly across from mailbox. (If you get to Pine View Enterprises on right, you have gone too far.)

Turn **LEFT** into driveway, and stay straight past first barn on right. If bringing horses, turn **RIGHT** between the two barns and park there. Please leave room for the next trailer to park. If bringing small animals, drive down to the lower barn and park in the lot at the back of the barn.

**Clinic is on the bottom floor of the lower barn; you'll see a sliding door for horses and the entrance door in center, Dutch doors on either side.**
